OUR SERVICES

AUDIT: Whether managing your entire audit diary or covering temporary resource shortfalls, we can assist with requirements ranging from ABL audits to IBRs.

SURVEY: We work quickly to assess the viability of a prospective client, reporting back to you promptly and proposing appropriate recommendations.

VERIFICATION: We offer an outsourced service to verify your client's sales ledger on your behalf on either a disclosed or confidential basis.

SALES LEDGER REVIEWS: Our sales ledger reviews will assess your client's health, providing all the information to make informed lending decisions.

TRAINING: Every year we host various courses to promote and improve best practice, from general auditing to stock training and Sage manipulation.
